

Document 2

3:08-cv-520 (*Campbell* - Nevada)

While the parties have thoroughly reviewed the more than 2,500 entries in the master MDL docket, 3:05-md-527, and the individual case docket, 3:08-cv-520, to make a good-faith effort to identify all filings that are potentially applicable to this case upon remand, they stipulate that each party has the right to present any inadvertently-excluded filings to the transferor court. The parties further stipulate that the inclusion or exclusion of a particular filing in the attached list does not impact either party's ability to contest the filing's relevance to this case upon remand.

Dated: July 18, 2011.
